

URANUSYS LLC provides innovative cybersecurity solutions, dedicated to protecting and empowering businesses in an increasingly complex digital landscape. As a Minority-Owned Small Business, we offer a comprehensive range of services tailored to safeguard sensitive information, enhance digital resilience, and foster a culture of security awareness.

With a team of cybersecurity professionals bringing over 20 years of industry experience, we leverage cutting-edge tools and technologies to deliver exceptional service and address the diverse cybersecurity challenges organizations face.

### CORE COMPETENCIES

#### Threat Intelligence:

- Proactive monitoring of global threat landscapes.
- Advanced threat intelligence frameworks including MITRE ATTACK, Cyber Kill Chain, and Diamond Model.

#### Vulnerability Assessment & Penetration Testing:

- Simulation of real-world attacks to identify and remediate vulnerabilities.

#### Incident Response & Recovery:

- 24/7 rapid incident response to minimize the impact of security breaches.
- Development and implementation of robust incident response plans.

#### Compliance & Risk Management:

- Tailored risk management services to achieve and maintain compliance with industry standards such as NIST, ISO, and FFIEC.
- Comprehensive risk assessments and specialized audits to ensure adherence to regulatory requirements.
- Phishing simulations and security workshops.

#### Zero Trust Architecture:

- ZT assessment and strategy
- ZT planning
- ZT implementation

#### Security Auditing:

- Comprehensive security audits to validate controls, identify vulnerabilities, and ensure regulatory compliance.

#### Cloud Security:

- Multicloud security architecture and design leveraging Aviatrix Multicloud Networking Platform.
- Secure cloud networking, continuous monitoring, and threat detection across all cloud platforms.
- Data protection, encryption, and Identity Access Management (IAM) within multicloud environments.

***Together, we can build a secure future for your business!***

## CAPABILITY STATEMENT

UEI: VPQKMNJHVVH15

NAICS Codes:

541512 – 518210 – 541511 – 541519 – 541690

### PROFESSIONAL CERTIFICATIONS

- ◆ Certified Information Systems Auditor (CISA) staff
- ◆ Certified Information Systems Security Professional (CISSP) staff
- ◆ Certificate of Competence in Zero Trust (CCZT) staff
- ◆ Certified Ethical Hacker (CEH) staff
- ◆ Certified Cybersecurity Technician (CCT) staff
- ◆ Security+ staff
- ◆ Aviatrix Certified Engineer (ACE) Multicloud Network Professional staff
- ◆ AWS Certified Solutions Architect staff
- ◆ Project Management Professional staff
- ◆ Scrum Product Owner (SPOC) staff

### PARTNERS

### DIFFERENTIATORS

#### Expertise:

Our team comprises certified cybersecurity professionals with deep industry experience.

#### Comprehensive Solutions:

From threat intelligence to cloud security, we provide end-to-end cybersecurity services.

#### 24/7 Support:

Our dedicated support team is available around the clock to assist with any cybersecurity needs.
